Occupy DC marches for 'Robin Hood' tax

Anti-Wall Street protesters hunkered down at encampments in Washington Saturday as they faced their first winter weather test, with a rare early snowstorm hitting the US east coast. In the US capital, about 50 persons marched from the protesters' camp at downtown McPherson Square to the nearby Treasury building and the White House, as sleet fell. Duration: 00:51.

'Superhero' protesters take on Wall Street

The self-anointed "superheroes" of Occupy Wall Street are using Halloween to stage a symbolic showdown with corporate powers. The Halloween events include this "superheroes vs. Occupy Wall Street" action, that comes after a weekend of arrests in other anti-corporate protests inspired by Occupy Wall Street, from Portland, Oregon to Denver, Colorado and Austin, Texas.

Occupy Wall St vs. Tea Party: comparing US grass-roots movements

The Tea Party and Occupy Wall Street sit at opposite ends of the political spectrum, but both movements are feeding off the same popular emotions -- frustration over the economic crisis, and a profound antipathy for Washington politics. Just as the Tea Party made its mark on the 2010 midterm elections, now both could become tools for grass-roots mobilization.
